VALENTINE PARTY

Is Held in the Primary School at Mount Pleasant.

St. Valentine's Day was observed Friday afternoon by the teacher and children of the first primary room of the Mount Pleasant school. A surprise feature was a valentine box, prepared by the teacher, Miss Della DeVaux, who was assisted by her mother, Mrs. DeVaux, and Miss Ora Shaw. Valentines were distributed by the little letter carriers, while Bickens, Edna and Gertrude, Opal Spence, Kenneth Schuchter, Charles Wiedman, Robert Fisher and Clinton Harbison.

A valentine story was told by one of the children. The kindergarten table was covered with pink tissue paper. Valentine napkins were passed and each child was served with sandwiches, a cup of tea and candy cookies in the shape of hearts, stars, moons and rabbits. Among the visitors were Superintendent Gandy and Trust Officer Simon Arthofer.

BALDHEADED ROW

Early Party Not Always the Cause of Baldness.

Thas much as it is an accepted fact that baldness, falling hair and dandruff are caused by a worm, doesn't it stand to reason that the only way to prevent such calamities is to kill the worms?

And doesn't it stand to reason that the only way to kill these germs is to use Parsian Sage, which A. A. Clarke has so much faith in that he guarantees it to cure dandruff, falling hair and itching scalp in two weeks, or money back?

Parsian Sage is a delightful hair tonic pleasant to use. It is not sticky or greasy, and contains only those ingredients that will surely benefit. It is now sold by druggists all over America and by A. A. Clarke for 60 cents a large bottle. It is used extensively by women who desire luxuriant hair with a radiant luster. The girl with the Auburn hair is on every package.—Advertisement.

"The Flying Man"
First installment today; a fine story.

IF THIS IS YOUR BIRTHDAY.
You will be tempted to do an unkind action which, if done, would cause you far more regret than you can foresee. Prosperity and good fortune are in store for you. Regrets would mar your enjoyment.

Those born today will be strong physically, but will have to be shown the advantages of being able to control their actions. Their training should be broad and charitable, as they easily become fanatical and cruel under sectarian narrowness of thought.

When You Buy Coffee, You Buy Caffeine

—and caffeine is the subtle but vicious drug in coffee that irritates the heart, impairs digestion and upsets the nerves.

Each cup contains from 1½ to 3 grains of this habit-forming, health destroying drug.
So far as known no coffee is sold today (however processed or prepared) that is free from caffeine.

If coffee is "getting" you, and if you wish to leave the headache, biliousness, indigestion and nervousness of coffee-drinking behind, the safe and easy way is to quit coffee and use

PLAN YOUR SHOPPING
TOUR AT YOUR HOME.

(Copyright, 1913, by J. P. Fallon.)

How often you go through stores and in answer to the attentive clerk's query, you reply, "Just looking."

Did you ever stop to think that "just looking" takes a lot of your valuable time, and becomes very wearisome?

Why not do your shopping at home, during the odd moments that are not reserved for anything in particular?

Look at the advertisements in this paper. They will tell you where you can get the latest and best fabrics, the colors that are the most fashionable, and the designs that are favored by the best dressers.

Every one of the merchants who advertise in this paper has something which will interest you. Read all the advertisements in this paper closely and constantly every night and all your time downtown for buying.

ANOTHER RECALL.

The News calls upon Councilman Samuel Brent to resign, and says that if he fails to do so he should be "fired."

Not content with this beginning the News calls upon "some one with the good of the town at heart" to prepare a paper calling for the resignation of Councilman Friel, Brennan and Storer, "and any number of others who never should have been in Council and who should be gotten rid of as speedily as possible."

In other words, the Official Organ of the Tammany Trust which runs the Town Council in the good old prosperous Democratic days recently desires to apply the Recall in this happy manner as to effect a Democratic return from Lima.

Unfortunately, the Recall does not seem to be working order here in Conneltsville.

A RUNAWAY MOVEMENT.

Washington county newspapers have been rather boastful of the extensive character of their road improvements, and have inclined to twist their neighbors on being behind in the procession.

But the County Controller's annual report contains a statement that "11,335.00 has been expended in road building expenditures with very little to show for it," and that if all the roads in the county were improved under the present system they would cost the taxpayers of Washington county \$75,000,000 or over three times the estimated value of all the farm lands in the county.

It is evident that the road building movement is capable of going at a runaway gallop.

The News proposes to extract a good deal of fun from the county's efforts to improve its roads. It says that the county is "wasting money" and that the county is "wasting money" and that the county is "wasting money."

Miscegenation seldom makes happy marriages.

Connellsville is never so shy of cash but that its citizens are not able to absorb any new bank issues that may be offered. If any such investments ever escape from the town, it's a mistake.

The feet of the Sierras has passed over the Great Divide, but his veterans will be an enduring monument.

With Woodrow working on the Trusts and Underwood on the Tariffs, the two biggest planks in the Democratic Platform ought to be perfectly Baltimore.

The Washington county men who refused to accept the new school law because the pupils have money are perfectly justifiable. Money is not a lawful part of the public school curriculum.

Birds may be shot off the roof, but they always return at nightfall. To get rid of undesirable birds, either lock up the birds or lock up the roof.

Luzerne and Stewart townships have pretty bills of damages to pay for the poor condition of their public roads. Their experience should be a warning to other townships.

The Haas Annex fire further illustrates the undesirability of unoccupied property.

The fire department of Connellsville has the right of way in going to a fire, and that right should be recognized by everybody and every interest, individual and corporate. The West Penn management has not announced a new rule, but merely enjoined observance of an old one.

When Don Antonio Infante sets out to save a Roman neck neither time nor distance daunts him.

Soldiers seem to have some dangerous church doors, but upon the whole the churches are safer, both physically and morally, than the wild and wicked outside.

The railroads necessary to the development of the Washington and Greene county coal are actively on their way.

The charges against Sheriff Bruff will be investigated by the court, and by its judgment the defendant's mental and physical condition must stand or fall. Sheriff Bruff was guilty of being a Philistine candidate. That was pretty bad, of course; but it was not necessarily criminal.

WHEN YOUR CHILD GETS CONSTIPATED

Cleanse Its Little Stomach, Liver and Bowels With "Syrup of Figs."

Look at the tongue. Mother! It coated. It is a sure sign that your little one's insides, the stomach, liver and bowels are clogged up with putrefying waste matter and need a gentle, thorough cleansing at once. When your child is listless, drowsy, pale, doesn't sleep soundly or eat heartily or is cross, irritable, fretful, stomach sour, breath bad, has stomach-ache, diarrhoea, sore throat, or is full of cold, give a teaspoonful of Syrup of Figs, and in a few hours all the foul constipating matter, the digested food and sour bile will gently move on and out of its bowels without nausea, griping or weakness, and you surely will have a well, happy and smiling child again shortly. With Syrup of Figs you are not drugging your children, being composed entirely of luscious figs, senna and aromatics it cannot be harmful, besides they dearly love its delicious taste. Mothers should always keep Syrup of Figs handy. It is the only stomach, liver and bowel cleanser and rectifier needed. A little given today will save a sick child tomorrow. Full directions for children of all ages and for grown-ups plainly printed on the package. Ask your druggist for the full name, "Syrup of Figs and Elixir of Senna," prepared by the California Fig Syrup Co. This is the delicious, healthy, reliable old reliable. portant is needed for the welfare of the inmates of these institutions. Mr. Dull returned home Saturday evening on train 56, full of law and justice.

A stranger applied for a job at the McFarland Lumber Company yards and was told to report for work in the morning. He then asked the foreman for a check of (take a honest man) of which he took the entire contents. He lost his job there and then. H. Pocus, third truck operator here, took very sick Saturday evening but managed to work his truck out. He is feeling better again. An enormous amount of freight passed over the Baltimore & Ohio in both directions Sunday. This has surely been the boom day for the year. Three inches of snow and still snowing with rising temperature, looks as though Mr. Groundhog would make good his shadow signs. Mrs. Simon Burkholder, who had been confined to her home for the past week, is able to be around again. Miss Volma Matthews, 14 years old, daughter of Mr. and Mrs. James Matthews of Jones Mills, died very suddenly Sunday morning of heart trouble. Funeral at 10:30 tomorrow at Dobogal. The sympathy of the entire community is extended to the bereaved family. Frank Keoser spent today among Connelville friends. J. S. Gibson, second truck operator from Yough, spent a few hours here today. H. C. Krepps spent over Sunday with his family near Mill Run.

his eyes fixed upon the floor as he pondered over his own position. One of three consequences must happen to him. If he was suffering from a delusion he was, as the press man had said, a rascal, a knave, a scoundrel; discredited; and the jeers of the world would ever ring in his ears, while if he was correct and the impact took place he would either be crushed like a fly beneath a mountain, or surviving by some miracle, find himself among the most famous men of the world. Verily he saw the bands of a destiny so colossal that all the armies and navies of the world and all its teeming billions of humanity to back them were as impotent as a swarm of gnats to alter it, and arising with a flash the color of wet ashes he placed his things in order with unusual care, as one might who was about to start on a long vacation, and with a last look at the beloved instruments so infinitely more delicate than the human senses looked the door and departed.

AT THE THEATRES.

THE SOISSON.

"THE ROSE MAID" TONIGHT.
The Rose Maid, sister opera to "The Spring Maid" will make its appearance at the Soisson this evening. The press agent, having exhausted his song of praise, permits a word nearer home. Here is what the Uniontown Herald had to say of this same company when it appeared there last week:

"The Rose Maid" fulfilled expectations. The audience liked it and it is a good thing that such a stable audience was not badly disappointed for audiences have a habit of not going back once they are fooled. But 'The Rose Maid' made good, pleasing more people than any show this winter has with the exception of 'The Little Women' and 'The Girl of My Dreams'.

Take a penniless duke with Bohemian proclivities, surrounded by his creditors; give him a rich uncle to disinherit him in the first act and take him back in the second; have a princess scorn him when he loses his fortune; add a theme of melody and a few catchy songs; season with dancing and serve about half after eight. There you have a recipe for 'The Rose Maid' and several other light operas of recent vintage. Which is to say it was the capable people who presented it, their voices, dancing and costumes that make the show a success. Since 'The Merry Widow,' the penniless duke or prince has been working overtime.

Let us hand it to Miss Evelyn Stewart who sang 'Daphne,' the duke's housekeeper. She certainly gave a good interpretation of the part and performed a clever dance cleverly in her debut with 'Daphne' Victor Foster, in the first act. Also, she sobbed considerably and convincingly in the unusual finale of the opening portion of the opera. There is no question but the majority of those who heard it like her singing voice.

Arthur Buckley, a tenor of course, is rather personable and makes much of 'The Duke of Burchester.' He played up strong in the difficult work of the first act where he had to be the victim of adverse circumstances. His voice has the range of a high singer, but it is not particularly sympathetic.

The chorus has evidently been picked to stand the extremes of the "road." It is composed of nice looking young men and women who wear the gowns and costumes well, dance in keeping and sing the same way. The girls are the main word in the chorus, the boys and costumes or they are away above the standard; one is accustomed to seeing males trained on the road. The male chorus is composed of good voices.

STAFFING.

STAFFING, Feb. 16.—George and Elmer Hebenstahl, used 11 and 12 years, sang of Mr. Charles Hebenstahl, while skating on the Jordanport dam, broke through the ice on Sunday and would have drowned had it not been for a sister who heard the boys cry for help and quickly summoned the help of two older brothers who were up stairs in their home preparing to go to church. Harry quickly responded to the call, throwing his coat in the yard as he ran to assist the two brothers. When near the boys the ice gave way and all three fell in. The boys were rescued by a fence board sent to the other three brothers' rescue and landed them in safety.

Ruth Ruhl spent several days at Mammoth visiting his niece, Mrs. Estlin.

Mrs. Ellen Horner of Mount Pleasant, visited Mrs. W. M. Lopez on Sunday.

Mrs. Thomas Black and Mrs. Isaac Snyder were at Grinnell cemetery recently looking after the graves of friends interred there.

Drive away germs with GOLD DUST

The modern surgeon carefully cleanses hands and instruments before and after every operation; he realizes the danger both to himself and his patient of any clinging germs.

Germs thrive and multiply wherever they can find a lodging place in grease and dirt, and where things are scrupulously clean they find it hard to live.

The easiest and surest way to keep things clean lies in the use of Gold Dust washing powder. Gold Dust goes deep after dirt and roots out every germ and hidden impurity. It is the sanitary cleanser.

Opportunity is knocking at your door! Gold Dust is sold in 50 cent and large packages. The large package means greater economy.

"Let the GOLD DUST TWINS do your work!"

ALL YOU NEED IS A CASCARET TONIGHT

No Headache, Sour Stomach, Biliousness or Constipation by Morning.

Turn the rheumatics out—the headache, the biliousness, the indigestion, the sick, sour stomach and foul gases—turn them out tonight and keep them out with Cascarets.

Millions of men and women take a Cascaret now and then and never know the misery caused by a lazy liver, clogged bowels or an upset stomach.

Don't put in another day of distress. Let Cascarets cleanse and regulate your stomach; remove the sour, undigested and fermenting food and take the system into the constipated waste matter and poison in the intestines and bowels. Then you will feel great.

A Cascaret tonight will surely strengthen you by morning. They work while you sleep. A 10-cent box from any drug store means a clear head, sweet stomach and clean, healthy liver and bowel action for months. Children love to take Cascarets because they taste good—never gripe or sicken.—Advertisement.

RHEUMA DRIVES OUT RHEUMATISM

Right away—the first day you start to take RHEUMA—the Uric Acid poison begins to dissolve and leave the sore joints and muscles. Its action is little less than magical.

RHEUMA works so speedily you actually can feel the inflammation leaving the body. A bottle costs but 50 cents, and if you are not satisfied A. A. Clarke will return your money. Read this:

"I wish to state to you the facts and nothing but the facts. I bless the day a friend brought me a 50-cent bottle of RHEUMA. I used one-half of it and it did me more good than all the other medicines I ever tried. I had been afflicted with Rheumatism all over my body for more than 25 years; I could not walk, and was a broken-down man. During that time I spent a small fortune trying to be rid of the horrible disease, but without help. However, RHEUMA reached my case, and I thank God I can again use my feet and do my work."

"Before taking your medicine I was staying with a daughter on her farm, and despite her loving efforts to tempt my appetite I could not eat. After I had taken RHEUMA two days my appetite returned. Yours for prosperity." —Prof. H. H. Kelling, 7 South Ninth street, Richmond, Ind., Oct. 12, 1912.—Advertisement.

We Have No Dealings With Poor Merchandise

Our purpose to serve well those who transact business with us is as firm as was the neighbors' attitude towards Captain Boycott in Ireland in 1881.

Idle talk in print is worse than nothing in print, for it may be misleading.

Adjectives may persuade you to buy a thing which, after the glitter and first liking has worn off you may be disappointed in. Were such the case and the purchase made here, we would be sorry, and more unhappy still if you failed to tell us about it.

The safest store for you is the one whose merchandise is always a little better than what is printed about it.
